## TECHNICAL ALERT

# SWIVELS

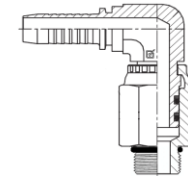

SWV-BPM-BPF

SWV-BPM-BPF-90C

SWV-STB

**WARNING:** Designed to swivel only.

Not intended for use in a continuous Rotation or side loading application.

This may cause the swivel to fail prematurely.

### Typical applications:

- Hose Reels (no pressure when rotating)
- Avoid twisting and stress relief in hoses (preventing leaks and increase hose life span)
